

DRACO MCS 218 MCS 218

General characteristics

Brand	DRACO
Subcategory	Container chassis
License plate	96-WB-PT
Year of construction	2008
Date of first registration	27-06-2008
Condition	Used
General state	Good

Properties

Single weight	3.320kg
Load capacity	14.680kg
GVW	18.000kg
Length	946cm
Width	240cm

Technical specifications

Number of axes	2
----------------	---
